

# Hi! PARIS Hi!ckathon Completion Certificate

Hi! PARIS, the center on Data Analytics and Artificial Intelligence for Science, Business and Society created by Institut Polytechnique de Paris and HEC Paris and joined by Inria, has conferred to

*Alexandre Deroux*

the Hi! PARIS Hi!ckathon Completion Certificate, as well as an **honorable mention**.

The Hi!ckathon is a two-day competition that puts students in the role of Data Scientists, challenging them to carry out a complete project. This includes understanding the business issue, preparing and exploring data, creating visualizations, developing models, pitching the idea, and fostering entrepreneurship.
